UPS ground service is available at \$5 per book within the contiguous 48 states. UPS air service to any location is also available at cost. UPS requires a street address and telephone number; box numbers are not acceptable. We cannot deliver without a name and phone number for contact purposes.

What Constitutes a Single Site?

A Single Site is considered one contiguous campus. Multiple-Site and Consortia Site Licenses are also available for those institutions/consortia that require access for a number of locations and/or institutions.

When Does an Annual Reviews Site License Make Sense for an Institution?

If your institution currently subscribes to the majority of Annual Reviews titles within one or more of our sites, or would like to, a site license may make sense for your organization. To learn more, and obtain pricing for your institution, contact the Annual Reviews Site License Department.

Vendor Pricing

To learn more about vendor pricing and discounts offered, please contact Annual Reviews.
